

Henry and Mudge and the Funny Lunch

This year Henry and Mudge are out to make the best Mothers Day lunch ever. It has to be juicy, crunchy, and perfect for family sharing. When they select a gorgeous golden pineapple, the menu is shaping up to be anything but dull. Dad is helping them carve something almost too pretty to eat. So how will Henry ever stop Mudge from devouring the surprise before Mom sees it? Since its creation in 1987, the Henry and Mudge series has grown into one of the most beloved and acclaimed beginning-reading series ever. With more than two million copies sold, the American Library Association, the Library of Congress, Parents Choice, The Horn Book Magazine, the International Reading Association, the American Booksellers Association, and most importantly, the thousands of children who belong to the Henry and Mudge fan club have recommended these wonderful books. Created by renowned Newbery Medalist Cynthia Rylant and acclaimed illustrator Sucie Stevenson, the Henry and Mudge series is without a doubt a classic for all time.
