

## The History of English Spelling

The History of English Spelling reveals the history of Modern English spelling, tracing its origins and development from Old English up to the present day. Includes a wealth of information and data on English spelling not available anywhere else. Features a complementary website with additional material at [www.historyofenglishspelling.info](http://www.historyofenglishspelling.info). Includes detailed coverage of the contributions from French, Latin, Greek - and the many other languages - to our current orthography. Serves as a companion volume to Geoffrey Hughes A History of English Words in the same series.
