

Upholding Our Future Hope

This book disputes the preterists theories and demonstrates fully the truth recorded in Scripture. Our movement has made allowance for unity in diversity. We must not, however, seek diversity at the expense of truth. We must at all times take a firm stand for biblical truth, as the authors of this book have done. They have thoroughly demonstrated that preterism contradicts the Holy Writ. While we can allow for a pre-trib, mid-trib, or post-trib Rapture, we cannot allow preterism to rob us of that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ.
