

Hotel Bemelmans

Ludwig Bemelmans was the original bad boy of the New York hotel/restaurant subculture. Anthony Bourdain Probably Bemelmans best work and certainly his most famous essays, Hotel Bemelmans brilliantly evokes the kitchens, back passages, dining rooms, and banquet halls of Bemelmans years at the Hotel Splendide a thinly disguised stand-in for the Ritz. Its a strange, fabulous, and sometimes terrible universe populated by rogues, con-men, geniuses, craftsmen, lunatics, gypsies, tramps, and thieves and its all here in biting funny detail. Twenty-four of the tales are vintage Bemelmans, two have never before been published, and the lot is accompanied by 73 of Bemelmans original, charming drawings.
