

May I Feed the Cows?

Olsen wants to help his dad, however he must first listen to his mother and follow directions before he is able to feed the cows for the evening. Find out what Olsen needs to do to help around the house. Is there anything you need to help do before you can do something fun? K. E. Day is a mother, wife, and educator. She grew up in northern Virginia and resides with her family in southern VA. She has a desire to engage and educate children of all ages by teaching them lessons on respect and the importance of following directions.
