

## How to build your own Life Coaching Welcome Pack

It doesn't matter whether you're a brand new life coach, currently struggling to work out the type of information you're supposed to include in a Client Welcome Pack, or you're a practicing Coach, who's wondering if your current welcome pack could be stronger, or maybe enhanced to help more people understand why your coaching could be so helpful to them, either way, this is the book for you. It lays out in simple terms what you should include, what you might want to include and highlights what you maybe shouldn't include, with ideas and examples to help you along the way.
