Belgian Waffle: Belgian waffle recipe is the king of waffle recipes. Make your own special waffle batter for blueberry waffle and your very own best waffle recipe

Belgian Waffles are the most popular kind of waffle in the world. This not surprising considering the luxurious toppings that the Belgians have developed over the years. This book has recipes for both Brussels and Liege waffles and explains how these waffles became so popular. There are plenty of ideas for tasty toppings and lots of tips for producing fantastic waffles. There are the original recipes using yeast and quick recipes that use baking powder and self raising flour for our hectic life styles. Belgian waffles are compared to American sweet waffles with recipes for these and American savory waffles too. Waffles are interesting to make and you can be really artistic in your efforts and stamp your own style on the waffles that you produce. They are equally great for entertaining and indulgent desserts to savor in the peace and quiet of your own home. Get this book now and find out how Belgian waffles can give you a zest for the sweet life.
