

Pop-up Oxford English Reference Shelf on CD-ROM: Windows Individual User Version 1.5

An unbeatable Oxford dictionary and reference quartet, this CD-ROM is incredible value at only GBP 45, giving users instant access to the brand new Oxford Dictionary of English, Oxford's most comprehensive current English dictionary, the World Encyclopedia 2003, packed with essential information on a huge range of subjects, plus the New Oxford Thesaurus of English, with more choice and more authority than any other comparable thesaurus, and the Oxford Dictionary of Quotations, the definitive quotations collection. The four titles can be accessed instantly and simultaneously on the Web or in Windows, there is no need even to type a word as the software can look up words from a simple mouse-over action, if desired. Students, business people, and writers of every kind will find this an invaluable, wide-ranging, but easy-to-use reference tool.
