

The Baby Train and Other Lusty Urban Legends

Americas premier folk detective is back on the case, sniffing out those zany but dubious stories that really happened to a friend of your sisters boyfriends accountants mechanic. Jan Harold Brunvand?Mr. Urban Legend [Smithsonian]?tracks the most fabulous tales making todays cocktail-party circuit and shows why those stories that sound too good to be true probably are too good to be true. The eponymous episode?The Baby Train?sheds light on certain predawn activities that have linked unusually high birth rates to the whim of train schedule makers. Other stories offer a revealing peek behind the story of The Exploding Bra, expose the embarrassing source of The Hairdressers Error, resurrect a Failed Suicide Buster Keaton would have died for, and show why adults are better off not bringing their comic book fantasies out of the closet. From Superhero Hijinx to The Shocking Videotape to The Accidental Cannibal, The Baby Train uncovers the mysteries behind some of the bawdiest, goriest, funniest, most pyrotechnic urban legends yet.
