

The Illustrated Encyclopedia of Roses

For its perfect beauty and scent, the rose is unparalleled. A symbol of love and romance, and a coveted object of natural elegance, the rose is, unsurprisingly, the most popular of all flowers. Whatever your favourite rose, you are likely to find all the facts about it here, and more besides. You will discover the romance behind some of the names, and the seductive power of the rose in history. This beautifully illustrated encyclopedia is an indispensable reference guide with 1,500 roses of every type arranged alphabetically, with comprehensive details and accompanied by full-colour photographs. The Illustrated Encyclopedia of Roses is a reference guide that no serious gardener should omit from their bookshelves.
