

A Sequence of Little Nudges: Small Steps to Move Your Idea Forward

In life, some people get that big break. However, most of us need to take small steps each day to reach our goals. Isn't it great when you get a compliment that keeps you going? A friend shares a tip about a tool that will help you achieve success? A co-worker acknowledges your big idea? You get a little push to take action from a business associate? We call these nudges! They are those little moments of support, of influence, of sharing. This book is a compilation of 30 days of nudges originally sent out as a series of emails. We hope that this sequence of little nudges helps you get started on your big idea, but that it also inspires you to keep nudging others! They need YOUR support to keep moving forward their big idea too!
