

Insect, Disease & Weed I.D. Guide: Find-It-Fast Organic Solutions for Your Garden (Rodale Organic Gardening Book)

What is it? Why is it in your garden? How can you make it go away? Or should you try to keep it there? Use this book to know what's what in your garden, lawn, and landscape. Uncover the identity of each garden mystery you meet, then learn exactly what-- if anything-- to do about it. From banishing pests and diseases to wiping out weeds to creating a haven for garden good guys, you'll find safe, sensible, all-organic recommendations to help you make the best choices for our garden.
