

International Religious Freedom Advocacy: A Guide to Organizations, Law, and NGOs

The first resource of its kind, International Religious Freedom Advocacy equips activists and policymakers with an intimate knowledge of the governmental institutions, NGOs, and laws that work to safeguard religious liberties across the world. Beginning with an overview of the international legal protections, these advocacy veterans explain the intricacies of and resources available within the United Nations, European Union, Council of Europe, Organization of American States, African Union, and more. They conclude with in-depth case studies of Turkmenistan and Vietnam and a host of additional helpful information.
