

Interview Skills That Win the Job: Simple Techniques for Answering All the Tough Questions

Containing simple techniques designed to enable a job applicant to ace his or her next interview, this guide teaches the interviewee how to handle everything from the trickiest questions to body language and from proper attire to conquering nerves. Interview myths are deconstructed and useful answers are provided for the most common interview questions. Tips on how to effectively communicate job skills and motivation level are included, as well as how to build a rapport and feeling of trust with the interviewer. Aimed at anyone seeking a job, the tools taught in this guide will impress even the most cynical of interviewers.
