

Intimate Meanderings: Conversations Close to Our Hearts

What appeals to me intellectually and emotionally about your book is that reading these pieces together creates a very new context to hold the experience of life. Spirituality, what you call meditation, is the glue that holds all the parts together. I feel that all your contributors are committed to integrate the fragments of what knowledge and methods we have acquired . . . with real life experience. -John Lounibos, PhD Intimate Meanderings . . . is an inspiring array of insight and bears witness to human life and our innate movement towards wholeness. -Roshi Wendy Egyoku Nakao, Abbot ZCLA, Buddha Essence Temple This book is an amazing potpourri of wisdom. Intimate Meanderings should be required reading in every Jesuit tent. -Dan Berrigan, S.J. Most memoirs are I-full. Morgan gives us a lot of We-full. -Robert Blaire Kaiser Intimate Meanderings shares the wisdom, inner-thoughts, and vast experiences of over twenty-five contributors who offer their inspiring reflections on meditation, religion, community involvement, hospice, and death, ultimately piquing spiritual and literary curiosity for those contemplating their own pilgrimage through life. A glance at the list of contributors, their articles, conversations, and poems illustrates their breadth and depth as well as diversity; personal histories-both positive and negative-that need to be told and not forgotten; spiritual journeys that still have a powerful impact; and poetry that captures emotional and motivational moments. Zo-Callahan and friends honestly communicate their deepest desires and yearnings as they explore the inner and inter-relational processes of obtaining serenity and joy.
