

Killarney to Valentia Island - The Iveragh Peninsula: A Walking Guide (Walking Guides)

The Iveragh Peninsula, the largest in southwest Ireland, stretches from Killarney to Bolus Head and attracts thousands of visitors annually. The Ring of Kerry coastal road winds along its fringes and sandstone peaks soar high above. It is a landscape of raw and stunning beauty from the lakes that fill the cirques to the spectacular cliff scenery along its coast. Each route is prefaced with a reference summary and illustrated with full-color maps and photographs. Route descriptions include GPS coordinates, navigation guidance, access notes, and short variations. There is also material on the fauna, flora, folklore, history, geology, and place names of each area.
