

The Next Phase of Leadership

Ever wonder why things just keep falling between the cracks in your organization? Ever wondered why your managers won't really manage, and grow their teams? Ever feel like strangling your boss, peers, direct reports? The Next Phase of Leadership cuts through all the piles of assumptions and excuses with 42 years of research that reveals the core issues that keep you from building great organizations. Reporting the years of research and proven technology, this book will likely shock you by claiming we know what the real issues are in building scalable, profitable organizations.
