Its the Little Things: Francis Brennans Guide to Life

Francis Brennan believes its the little things in life that count the most. And by following this philosophy, he has built an extremely successful business and a very happy life. With his signature charm and wit, Frances gives you his code for living which includes the correct way to position a toilet roll and the direction your pillowcase should face! Full of fun and personal memories, Francis will motivate you to pay attention to the small things that make a big difference.
