

Jays Journal

In the tradition of Go Ask Alice, a harrowing account of a teen boys descent into drugs, Satanism, and death. Jay was a sweet, bright high school student who cared about his grades and his friends. He had ambitions. He was happy. And he thought he could handle anything. He was wrong. When Jay falls in with a crowd thats dabbling in drugs and the occult, he finds himself in over his head and doing things he never thought possible. Fascinated by the dark arts and in love with a dangerous girl, Jay falls deeper and deeper into a life he no longer recognizes...and sees no way out.
