

The Ascension Handbook: A Guide To Your Ecstatic Union With God

The Ascension Handbook is designed for those who wish to explore the boundaries of their humanity and expand their consciousness so that they may know themselves as God. This wisdom was given through channel, Jessie Keener, by the Two Marys, the combined energies of Mary, the mother of Jesus and Mary Magdalene, his spouse. The Handbook offers a simple, clear guide to help the student evolve from someone who may have some mastery of life to begin to master themselves as God. Joel D. Anastasi interviewed the Two Marys and wrote the manuscript.
