

The Secret Gravitational System [Law of Attraction] (Royal Think Tank Book 1)

The Secret Gravitational System links Law of Attraction to the science of gravity by drawing on scientific data with GE Theory.

Volume I includes: * Advanced erudition for conscientious practitioners of The Secret * Scientific formulas unifying quantitative and qualitative theories * A Gravitational System chart to reference potential states of attraction

PRAISE FOR HRH JOIE: ... a superb contribution to chemistry, biology, astronomy, and physics. - P.Bloom This prize is inviting, and gives readers groundbreaking information about gravity, electromagnetism, and other so-called forces...it makes you think. - T.A. Hampton Why do planets float and follow a colossal star? Is there a connection between gravity and people? Why are we attracted to some folks and not others? This book is for anyone whos ever wondered about the real secret of gravitational attraction. - J.E.D.
