

Dialogues: Conversations with My Higher Self (Spiritual Dimensions)

What is consciousness? How does consciousness become self-aware? Is there really A God? Who or what created the universe? What happens after you die? Read the Dialogues and find out! What is time? Are there universal laws, or do the laws of science regarding matter and energy also apply to spiritual beings? What is it like living as a non-corporeal entity? In a fascinating and wide-ranging discussion, the author, with the help of several non-corporeal entities, provide the answers. Even if you don't believe in channeling, Dialogues Conversations With My Higher Self contains information you just don't want to miss.
