

## Just Say Nu: Yiddish for Every Occasion (When English Just Wont Do)

A cross between Henry Beards Latin for All Occasions and Ben Schotts Schotts Original Miscellany, JUST SAY NU is a practical guide to using Yiddish words and expressions in day-to-day situations. Along with enough grammar to enable readers to put together a comprehensible sentence and avoid embarrassing mistakes, Wex also explains the five most useful Yiddish wordsshoyn, nu, epes, takeh, and nebakhwhat they mean, how and when to use them, and how they can be used to conduct an entire conversation without anybody ever suspecting that the reader doesnt have the vaguest idea of what anyone is actually saying. Readers will learn how to shmooze their way through such activities as meeting and greeting; eating and drinking; praising and finding fault; maintaining personal hygiene; going to the doctor; driving; parenting; getting horoscopes; committing crimes; going to singles bars; having sex; talking politics and talking trash. Now that Stephen Colbert, a Catholic from South Carolina and host of the Colbert Report, is using Yiddish to wish viewers a bright and happy Chanukah, people have finally started to realize that theres nothing in the world that cant be improved by translating it into Yiddish. Wexs JUST SAY NU is the book thats going to show them how.
