

UK Atlas (Collins Keystart)

Collins Keystart UK Atlas is a multi-topic atlas of the UK, which introduces topics to reflect the Geography, History and Environmental Studies Key Stage 2 requirements of the National Curriculum. The atlas is organised into themes: landscapes, climate, cities, pollution, Vikings, Romans, Tudors etc. Each spread is devoted to a single topic. A variety of maps, graphs, text and photographs are used to allow integration of the different strands of Geography, History and Environmental Studies curricula.
