

In the Company of Rivers: An Anglers Stories and Recollections

In this charming collection of fly-fishing short stories, readers will discover that fly fishing can lead to many places. Experience the various journeys taken by the author to places like remote Labrador, Alaska, Scotland, Ireland, and the Florida Keys. Enter a miniscule Pepsi shack on the Catawba in the Carolinas; squeeze into a tackle shop no bigger than a roosters nest on Forty-Second Street in New York City; find yourself on Kettle Creek in Pennsylvanias Forbidden Lands. Not merely a travel book of fly-fishing locales, *In the Company of Rivers* is also infused with the fragrance of Montecristos, the plummy sweetness of vintage port, and the distinctive sizzle of sirloins on a Coleman stove. Readers will also encounter such unique characters as Mr. Earp, a 100 percent West Virginian and 50 percent Cherokee, and Mr. Cotter, the archetypal New York cop turned fly-fishing gentleman. A unique portrayal of the fly-fishing world, *In the Company of Rivers* will have you laughing throughout the entirety of its pages. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
