

## Forevermore: Guided in Spirit by Edgar Allan Poe

Kristy Robinett has always had helpers in spirit, but when she was thirteen, she met the most fascinating spirit guide of all? Edgar Allan Poe. Forevermore tells the true story of how Edgar Allan Poe helps Kristy fulfill her destiny as a writer and a psychic medium. Far from being a madman (as hes often portrayed in the media), Poe is an insightful guide and a sleuth with a passion for justice. Working with law enforcement, Kristy and Poe uncover truths of the past?murders, suicides, missing persons?and shed light on the wrongs that have found their way into the present day. Join Kristy as she shows how personal growth can come from the unlikeliest places and affirms the comforting fact that we are all given the chance to learn and evolve on the other side.
