

Le fameux arbre de Noel de Pingouin (French Edition)

Penguin really wants to win Santa's Best Tree Award, but he can't think of anything special enough to go on the top of his tree. Penguin's little Angel friend pitches in to help, and together they try all sorts of wacky ideas, including a confused frog, an energetic monkey, and a soggy snowman, but nothing works. Just as the team starts to get discouraged, Penguin realizes the answer has been in front of him all along, there's no better tree-topper than an Angel! This paperback edition comes with a punch-out holiday ornament, featuring the characters of the book, which children can put together and hang on their own special tree!
