

Leadership Therapy: Inside the Mind of Microsoft

Microsoft is well-known for being an intense place to work: employees face constant pressure to innovate and excel and are passionately devoted to their jobs. In this insightful book, Anna Rowley reveals the major problems all managers face and shows how to conquer them. She distills the characteristics every leader must have to succeed in a demanding environment, including belief, confidence, self-awareness, trust, power, and ambition. She provides the tools that have helped her clients to continue to attain their potential, while including fascinating case studies of the driven and talented clients she has worked with at Microsoft. Topics covered in Leadership Therapy include:

- * Communicating well, even with difficult colleagues
- * Negotiating power
- * Bridging the gap between the real you and you, the leader
- * Managing change effectively
- * Establishing trust among coworkers
- * How much honesty is too much?
- * Articulating your beliefs so your colleagues know what you stand for
- * Identifying the obstacles in the path of your career
