

Lean QuickStart Guide: A Simplified Beginners Guide To Lean

The Ultimate Beginners Guide To Lean - Broken Down Into Easy To Understand Concepts and Ideas***An Extensive Introduction to The Lean Business Model That Is Applicable To All Industries*** Lean, Total Quality Management, Process Improvement. If you're in the business world you've undoubtedly heard these terms - from your supervisor, from a client or from someone talking shop in the breakroom. Perhaps you have a decent understanding of these concepts, or maybe you have absolutely no idea what they mean. What's most significant is that you know they are important, that they are not just business buzzwords. You understand that it is critical to your career that you understand these concepts - that's why you are here. Now that you have realized the significance of the Lean Business Model and all the concepts, techniques and philosophies that it brings to the table, where do you start in the learning process you ask? - Right Here. Don't get overwhelmed by the 1,000-page long books that simply have TOO much information and are impossible to follow. In the Lean QuickStart Guide, we will teach what you need to know to get up and running with Lean. You'll understand the fundamentals that form the Lean Business Model so you can incorporate it into your business wheelhouse within hours. Learning for academic purposes? We have you covered too. We will take an academic approach to the Lean Business model as well as looking at the real world practical application in the business environment. Concepts Are Broken Down Into Bite Sized Chunks With Extensive Charts, Graphs & Illustrations To Assist In The Learning Process Lets face it - Lean is quickly changing business operations around the world and it is here to stay. With more opportunities for Lean implementation appearing in organizations every day, it is critical for anyone who

planning on advancing their career in business to fully understand Lean. Lean QuickStart Guide has been specifically designed by Lean experts with ease of learning in mind to ensure you dont get stuck, lost or lose hope in the learning process. Never again will you need to waste your time searching the internet, watching YouTube videos and paying crazy amounts of money for online courses! Who Is This For?
