

Learn, Think and Predict Through Astrology

Our destiny is nothing but the result of our own actions of innumerable past lives as well as the present one. In this simply written, wellresearched book, the author provides the key to unlocking the secrets of the zodiac and discovering the future. Learn, Think and Predict Through Astrology explains how rashis (signs), grahas (planets), nakshatras (constellations) and bhavas (houses) the basic principles of astrology determine your destiny and the course of your future. The book teaches you how to make your Janmakundali (birthchart) to find out what your future has in store for you. It also provides you with solutions and remedies to improve your physical, spiritual, emotional and material wellbeing, in order to help you live a fulfilling and successful life.
