

Best of Life: Numerology

I would love everyone to live their OWN Best Life without the feeling of guilt or the need to sacrifice yourself for another. We live in a world with many obstacles. I suggest you try to limit your attention to all the problems of humanity and in your own life. Instead focus your awareness on how to find solutions most of all in your own life. Know that your time is your most precious possession and that your energy will be abundant when you look after yourself well. When you feel great and stay positive this society will be a better place to live in. Not easy, but it is the solution to our universal problems. If we all become self-empowered and start living our OWN Best Life, knowing this is not selfish, everything will improve and all problems will dissolve before our eyes. We will all find inner-peace. Best of Life will help you with the question, Do you live your OWN Best Life? It is of utmost importance that you know yourself well. Knowledge will help you greatly with this. This book will start the New Year with fresh solutions and goals. It will end the year with a celebration and a looking forward to a renewed beginning. In between there are many illustrations, poems and inspirational quotes to ponder over. This issue will guide you, with the help of numerology, outlining the universal and your own personal direction for the whole year, month, by month and day by day, as well as identifying your lucky numbers for the whole of your life.
