

Bushcraft :101 Bushcraft Survival Skill Box Set (The Blokehead Success Series)

To learn bushcraft, one must adjust the state of mind. Instead of going through a series of complex mental processes when coming up with a decision, one should reform to a simpler, more primal state. It aids in prioritizing the more immediate needs. Even if it is just for a little while, one should experience the independence and empowerment of living by the moment and in using the forces of nature to the advantage. This 2 in 1 Box set allows you to learn bushcraft skills from the beginner stage to advanced 101 bushcraft skills.
