

## Chronology of Western Classical Music, 1751-2000 2 Volume set

This 2-volume reference work offers a complete chronology of classical music from the 18th-century through the end of the 20th. Organized by year, each entry gives: births of key musicians/composers, deaths, performing debuts, new positions, prizes/honors, bibliographical highlights, cultural beginnings, musical literature, and compositions. This work answers hundreds of common questions, from Who wrote that piece? to When was it first performed?

A complete index is given in each volume, making finding information quick and easy. This book will strongly appeal to music students, professors, and lovers of classical music.
