

Lord of the Kill

In bestselling author Theodore Taylor's novel, a 16-year-old boy must take care of his family's wildlife preserve, while handling the kidnapping of one of the most dangerous tigers known to man. When a half-eaten body is found inside a locked jaguar cage, eighteen-year-old Ben Jepson knows it's no prank - someone is trying to make trouble for the Los Coyotes Big Cat Preserve and its manager, Ben's father. An outspoken conservationist, Dr. Jepson has made some powerful enemies. Ben's parents are on a tiger conservation mission deep in the jungle. Now Ben is the only one who can keep Los Coyotes running. But when his beloved tiger Dmitri, nicknamed Lord of the Kill, is kidnapped, Ben must decide whether to wait for the authorities or to strike out on his own.
