

## Los Angeles de Atlantis (Spanish Edition)

An inspiring book, *Los Angeles de Atlantis* teaches us an often forgotten technique: the ability to connect with angels/forces with individualized consciousnesses. When we receive their wisdom, we are thus able to heal ourselves and those around us. This may sound like a fantastical tale; however, it is nothing but an application of the ancient Atlantic wisdom, fragmented but preserved to this day. *Los Angeles de Atlantis*, by means of simple exercises, will open you to the possibility of accessing a new cosmic consciousness, full of wealth, joy, happiness, and harmony within your environment through animals, plants, and nature.
