

Whisper That You Love Me

Boys see Regan Turner as beautiful. Flawless. But inside Regan is broken. A tragic past with a stalking ex-boyfriend has made her afraid to get close to boys. Then Regan's missing brother, Rafe, miraculously returns. She hasn't seen him since they were kids. He's grown heartbreaker handsome, yet he's still kind and sweet. Regan is thrilled to have her beloved brother back but wasn't prepared for his lingering gaze. This is the non-paranormal version of Melanie Marks novel, *Always Hers*. (Choose only one version.)
