

# A Beginners Guide to Paracord: Make Your Own Survival Bracelet Using the Top 5 Most Popular Styles Today

Make Your Own Paracord Survival Bracelet In the crazy, fast-paced world we live in today, it is often easy to forget the minor steps we can take to protect ourselves in case of an emergency. These steps, though minimal, can be life-saving. Wearing a paracord bracelet is one of the best ways to be both stylish, and protected, not to mention being a blast to make! Paracord bracelets have always been a perfect, go-to fashion trend among both average people and celebrities alike. Everyone from Bear Grylls to MGK, to military members around the world, have been seen sporting these bracelets, and with over 500 different colors and patterns of paracord to choose from, there is a perfect option out there for everyone. These bracelets are more than just a simple accessory, however. On top of being fashionable, they are also extremely functional. In this book, you will learn over a dozen ways to use these bracelets for both everyday use, and use in emergency situations to potentially save your own life or the life of another. In this book, you will learn not only a variety of knots and patterns for making your own custom paracord bracelets for half the cost of buying one in stores, but also, the countless ways to use it once its completed. You will become a paracord master by the end of this book, guaranteed! What Youll Learn -The Many Uses Of Paracord Bracelets -The Melting Bar Weave Bar -Digicam Bar Bracelets -The Wide Solomon Bar (Cobra Knot) -Ripcord Sinnet or Zombie Apocalypse -The Saw Tooth Weave -Paracord Types -Other Paracord Projects
