

In Business: Activities to Bring Business English to life (Cambridge Copy Collection)

In Business is a collection of 30 fun, photocopiable activities focusing on business vocabulary, functional language and skills. The activities range from lower to upper-intermediate level and can be used to supplement a Business English course. The activities come with clear teaching notes and cover a range of key functions such as negotiating, telephoning, and presenting, within a variety of relevant business contexts. This approach allows for dynamic discussion and practical language acquisition.
