

## The Laws & Ordains (Modern Version): part of Ehstema's Book of Shadows

This short segment from Ehstema's Book of Shadows contains a modernized version of the Laws and Ordains, an old and traditional Wiccan document that outlines rules and expectations for Wiccan conduct and behavior. ABOUT THIS SERIES: Ehstema's Book of Shadows is the personal Book of Shadows from Ehstema, a Witch Queen, High Priestess, and herbalist. Ehstema has been a practicing pagan for more than 20 years, and she has been leading and teaching others for 15. This series allows pagans to download individual sections to add to their Book of Shadows as needed, and more sections are being published periodically.
