

Chinese for Survival: Mini Mandarin Chinese Phrase Book and Dictionary

The main aim of this book is to help everyone who needs to understand Chinese at the basic level necessary for survival. The book itself is divided into several parts. In the beginning you will find the Overview of Chinese characters and their pronunciation. Afterwards it is followed by 25 mini-lessons which contain the basic phrases both in Chinese and English. Every lesson also contains one or more pictures where the usage of a phrase is shown. Vocabulary and Glossary are at the end of this book.
