

## My Life Seen Through Our Eyes

This memoir by Richard A. Brenner was originally intended just for his children and grandchildren, but because of such great interest from friends and family, it is now available to all readers who appreciate active and creative careers and lives. Richard grew up in New Brunswick, New Jersey and enjoyed three diverse and successful business careers: the first was Bloomingdales in New York City, where he started as a junior executive trainee and left as a senior merchandise manager; the second, as president of Brenner Couture, a dress manufacturing firm, founded by him and his wife, Eleanor; and the third as a managing director on Wall Street. Eleanor and Richard now live in Santa Fe, New Mexico where they demonstrate their passion for children through the non-profit they founded together in 2003, First Serve - New Mexico. Through these efforts this dedicated couple is truly changing childrens lives, one child at a time, one day at a time.
