

Sport Fish of N. J.: An Anglers Guide

This book contains full color pictures of every sport fish found in the fresh and saltwaters of N. J., in addition to lots of material on where the fish can be found and how to catch them. The foreword was written by Dave Chanda, Director of the N. J. Division of Fish & Wildlife. Coldwater, warmwater and marine introductions were written by Jim Sciascia, Chief of Information and Education, N. J. Division of Fish & Wildlife. Together with the authors first book, Gone Fishin the 100 Best Spots in N. J., these two will make a perfect combination of all that an angler might need to know about fishing in the Garden State.
