

Numerhythms The Code of Life (Numerhythms Psychology by Numbers Book 1)

An incredible journey into the Human Psyche, using Intuitive Numerology as a psychological tool. Numerhythms: The Code of Life is the first in a fascinating series of books which take the reader on a journey of discovery and exploration into the powerful, secret world of psychology by numbers. You will become intrigued by the in-depth information that describes personality and how it is formed. You will be captivated as you learn about Soul Blueprints; Life Purpose and Karmic Lessons will become clear, perhaps for the very first time. Skills and talents, strengths and weaknesses, our deepest innermost desires, our fears and anxieties, our own self-sabotaging aspects and shadow nature, self-created obstacles and blockages Susan Schoning explores our most intimate being from a completely unique perspective, and truly answers the question of who we are and why we are here. In Numerhythms: The Code of Life, she explores the psychology behind Descriptive Numerology and lays the foundation for how the numbers can be used to predict future behavior. The book provides a valuable step by step guide which explains in detail how to develop a Numerhythms analysis. This dynamic series on Psychology by Numbers gives profound information regarding those critical, all important relationships in your life: Partners, family, friends, colleagues, clients, employers and employees.
