

## Louis A. Wehles New York State Fishing Guide 1951 Edition

This is a fascinating read for any fishing enthusiast or historian. A comprehensive guide to fishing in New York State, including breeds and species present in New York State waters, a map of fishing in the region, and a list of fishing contest winners. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
