

The Philosophical Magazine (Volume 46, ser.4); A Journal of Theoretical, Experimental and Applied Physics

The book has no illustrations or index. It may have numerous typos or missing text. However, purchasers can download a free scanned copy of the original rare book from the publishers website (GeneralBooksClub.com). You can also preview excerpts of the book there. Purchasers are also entitled to a free trial membership in the General Books Club where they can select from more than a million books without charge. Volume: 46, ser.4; Original Publisher: London Taylor and Francis [etc.]; Publication date: 1798; Subjects: Philosophical magazine (London, England : 1945); London (England); Science; Physics; Science/ History/ Sources; Physics/ History/ Sources; Physics - History - Sources; Science - History - Sources; Discoveries in science; Science / History; Science / Physics; Science / Life Sciences / Evolution; Science / History; Science / Study
