

## Hide & Seek

A junkie lies dead in an Edinburgh squat, spread-eagled, cross-like, on the floor, between two burnt candles and below a five-pointed star daubed on the wall above. Just another dead addict...until John Rebus begins to chip away at the indifference, treachery, deceit, and sleaze that lurks behind the facade of the Edinburgh familiar to tourists. Only Rebus seems to care about a death that looks more like a murder every day, about a seductive danger he can almost taste and which appeals to the darkest corners of his mind.
