

Weight-Loss Coach: Build Profitable Business & Find Clients in 7 days

Do you want to work as a Weight-Loss Coach? Do you want to know how to build your own profitable business and how to get new clients just within 1 week? Then I would like to welcome you to this book! Throughout this book you will learn the mastery of clever marketing where you will create your own perfect coaching business that is profitable and attractive to your clients. You will be guided with the step-by-step approach in finding your new clients within 7 days or less. You will find out about the main types of weight-loss clients, how to work both online and offline, on one-to-one basis and with a group, how much you should charge your clients, and when you should quit your 9 to 5 job and start working full time on making your dream style career. Are you interested in becoming a successful weight-loss coach and getting your new clients within the next 7 days? Then what are you waiting for? ;)
