

# Hebrews: How Jesus Speaks Into Everything (Not Your Average Bible Study)

As the old adage goes, you have to ask the right questions before you can get the right answers. And that's exactly what the Not Your Average Bible Study series helps you do. Rather than spoon-feeding you with individual facts, this study of Hebrews coaches you on how to think through the text as a whole. Tested and proven in Bible Study Magazine, it's perfect for group and individual studies alike. Hebrews was written for people like us--struggling Christians seeking to know God better. The ancient communities who first received this letter faced temptation, suffering, and doubt. When we understand God's message for them, we can better embrace God's message for his church today. Each section of the guide begins with a concise introduction, providing context for the biblical passage. Next, you'll consider questions designed to prompt your own in-depth study. You'll also find specific prayer suggestions, along with ideas for further research. Experience the joy of discovering biblical insights for yourself--then apply these lessons to your everyday life. This is not your average Bible study!
