

Out Of The Valley: One Mans Stand Against Darkness

F. Scott Brown knew things were not perfect when he took over the European division of Morgan AM&T. He didnt let that deter him. Their downward spiral needed to be fixed and he knew he was the man for the job. After successfully steering the company back in the black, he stepped down as CEO and president at the end of 2000. Eight months later, an FBI agent showed up at his house in Central Florida with a subpoena. His life has not been the same since. Brown faced corruption and personal betrayal, and a shockingly wide-ranged cover-up that ultimately would lead to incarceration. Many false accusations with heart-wrenching moments of frustration continued for more than three years. Finally, despite his innocence, he entered an excruciating guilty plea. Browns fight for justice was not over. He would discover how Gods revelations would bring him proof of his innocence. Now he uses his experience to help others.
