

Out with the In Crowd (The Reinvention of Skylar Hoyt Book #2)

She knew changing her life wouldn't be easy--but she never expected it to be this hard. Skylar Hoyt may have vowed to change her partying ways, but it's not so easy to change her friends. Even though the old Skylar is gone, she's still not sure who this new Skylar really is. Add to that two parents battling for her loyalty, a younger sister struggling with a crisis pregnancy, and a new boyfriend wishing for more of her time, and Skylar feels like she can't win. After all, how do you choose favorites among the people you love most? Stephanie Morrill is a twentysomething living in Kansas with her high school sweetheart-turned-husband and their daughter. She is the author of *Me, Just Different* and loves writing for teens because her high school years greatly impacted her adult life. That, and it's an excuse to keep playing her music really, really loud.
